A photograph of a dirt path in a forest. The path is made of light-colored gravel or dirt and leads into the distance, slightly to the right. The surrounding area is filled with green foliage, including ferns and other plants. In the foreground, there is a white, rectangular sign with black text. The sign is slightly tilted and has a small black dot in the bottom left corner. The text on the sign is in French and provides directions for a short circuit for people with heart problems.
